

KNOX RAPID ACCESS SYSTEM

Reduce Response Time, Injuries and Property Damage

ACCESS THE COMPLETE, UL LISTED KNOX RAPID ACCESS SYSTEM WITH ONE MASTER KEY

Knox key boxes have been providing firefighters with safe and secure emergency access since 1975. More than 14,000 fire departments nationwide depend on the Knox Rapid Access System to access commercial, military and residential properties when responding to fire alarms or medical emergencies.

Knox rapid access devices are purchased by property owners in your jurisdiction. To get started, there is no cost to the fire department. With one Knox Master Key, community buildings, gated complexes and fenced properties are immediately accessible. The versatile Knox Rapid Access System provides:

- Immediate building entry day or night
- Access to all properties with one master key
- Time-saving response to false alarms
- Safe entry without force or injury to firefighters

1 PERIMETER ACCESS

KNOX PADLOCK®

Knox Padlocks allow instant access to manual vehicle and pedestrian gate entrances.

KNOX GATE AND KEY SWITCH®

The Knox Gate and Key Switch provides immediate access through electrical vehicle and pedestrian gates.

2 BUILDING ACCESS

KNOXBOX® 3200 KNOXVAULT® 4400

The high-security KnoxBox/KnoxVault holds keys and access cards critical for rapid access in an emergency.

3 POWER CONTROL

KNOX REMOTE POWER BOX®

The Knox Remote Power Box remotely operates a shunt trip breaker to safely remove or isolate power from a building or equipment.

4 INTERIOR ACCESS

KNOX DOCUMENT CABINET®

The Knox Document Cabinet houses vital emergency documents, including HazMat and emergency/response plans, interior keys and access cards.

KNOX ELEVATOR BOX®

Designed for the elevator bank, elevator override and drop keys are stored to save emergency responders time from locating the right elevator drop key to open landing doors during a rescue mission.

5 FDC PROTECTION

KNOX FDC LOCK® KNOX STORZ LOCK®

Knox FDC Lock and Knox Storz Lock protect vulnerable fire department connections critical in fighting fire.

KNOX STANDPIPE LOCK®

The Knox Standpipe Lock protects standpipe and wall hydrant outlets critical for fighting fire in parking garages, building stairwells, etc.

6 NARCOTICS CONTROL

KNOX MEDVAULT®

The Knox MedVault stores narcotics in a locked vault on-site or in a rescue vehicle, reducing exposure to legal and regulatory sanction.

7 KEY CONTROL

KNOX KEYSECURE®

The Knox Master Key(s) is secured in a key retention device mounted in the vehicle and provides audit trail and security.

ABOUT THE KNOX COMPANY

Since 1975, the Knox Company has successfully developed innovative rapid access solutions for first responders with products that provide fast, safe, and secure entry into commercial, industrial, and residential properties, while minimizing damage and maximizing safety. Today, more than 15,000 fire, EMS, and law enforcement departments/agencies depend on Knox products to gain access into over one million buildings/properties.
